CONFERENCE REGISTRATION & FEE

We have set a fee that makes it affordable for individuals and organisations in today's economic climate.

The Conference fee of \$120 includes individual annual membership of the Victorian Chapter of COAT (\$40) for the 2016/2017 year (1 March 2016 to 28 February 2017) as well as the Conference fee (which includes registration, lunch and refreshments).

It is not compulsory to join COAT Victoria to attend the conference but the conference fee remains \$120 – participants renewing membership or joining for the first time effectively get a \$40 discount. Membership is not confined to members/staff of tribunals but is available to anyone interested in administrative decision-making and dispute resolution.

Please complete the form below (delete as required) and forward payment of \$120 to "COAT Victoria".
