

Meet the Western Australian Industrial Relations Commission

The COAT WA Chapter invites you to attend its first event for 2020, hosted by the Western Australian Industrial Relations Commission. This is the first in a series of events designed to enhance liaison among members of COAT in Western Australia and increase knowledge sharing of the varying member jurisdictions. Each event will focus on the host tribunal's approach to the three broad areas of methods of conciliation and mediation, rules of evidence and costs.

The Western Australian Industrial Relations Commission is established under the *Industrial Relations Act 1979* (WA) to resolve disputes about industrial matters, being any matter relating to the work, privileges, rights or duties of employers or employees in industry.

The Members of the Commission will provide an overview of the structure and functions of the Commission, and outline some of the unique aspects of the jurisdiction as it relates to conciliation, evidence and costs.
